Stand for Children believes in EVERY child.

## WE STAND FOR:

- Building the capacity of parents to be empowered advocates and supporting them in their efforts to demand a high quality education for EVERY child in New Orleans
- Giving EVERY child access to a high quality school and a high quality teacher in every classroom
- Identifying, supporting, and electing candidates with strong education platforms to local and state office

## LET'S ELECT THESE EDUCATION CHAMPIONS TO STAND FOR OUR KIDS

The candidates we've endorsed for the Orleans Parish School Board will stand up for students, teachers, and parents in our public school system—and that's why we're standing with them.

### IRA THOMAS #80 • DISTRICT 1

Ira will serve as the chief advocate for early childhood education and will ensure fairness and equity for all schools and all students.

### SARAH USDIN #85 • DISTRICT 3

A nationally recognized educator, Sarah Usdin spent her entire career in education to fight for the fundamental American promise that every child deserves an excellent education.

### LOURDES MORAN #88 • DISTRICT 4

Lourdes's leadership while serving on the school board led to historic gains in student's college admission and graduation rates, while vastly improving the district's financial standing.

### WOODY KOPPEL #90 • DISTRICT 6

Woody is an experienced voice, dedicated community advocate and a former award-winning teacher at James Lewis Elementary who supports local and autonomous community control of schools so parents have a strong voice in achieving school excellence.

### NOLAN MARSHALL, JR. #91 • DISTRICT 7

Nolan has spent over 40 years as an education advocate for our children, fighting to ensure that well-trained and well-supported teachers are in every child's classroom.
