# A PROVEN LEADER MOVING OUR NEIGHBORHOODS FORWARD

Susan ran for office for the first time in 2010 as a neighborhood advocate hoping to push our city in the right direction. She couldn't rely on political strategy or powerful connections. Instead, she appealed directly to her neighbors, small business owners, and fellow citizens. And together, we won.

Today, Susan is a proven leader with four years of successes for the citizens of District A:

- **CRIMINAL JUSTICE REFORM:** As Chair of the Council's Criminal Justice Committee, Susan has made it a top priority to analyze and reform the city's Criminal Justice System to ensure we use every tax dollar effectively. While focusing resources on catching violent criminals, Susan believes that we must also implement programming that positively redirects minor criminal behavior.
- **FIGHTING BLIGHT:** To make real progress in our neighborhoods, Susan has passed ordinances to drastically improve blight eradication efforts by streamlining code enforcement. Her efforts have been critical in giving neighborhoods more security and higher property values while also returning properties to commerce and increasing city tax revenues.
- **JOB CREATION & ECONOMIC DEVELOPMENT:** Susan's worked hard to pave the way for the construction of the Mid-City Market and Costco, creating hundreds of jobs and millions in new revenue for the city. In addition, small businesses have absolutely flourished in District A. We've celebrated dozens of openings along the Oak, Carrollton, Maple, Harrison, and Magazine Corridors.

“Looking back on the past four years, I am proud of the work we have accomplished. However, we all know there is so much more to do. Now, I am asking you for the opportunity to continue making progress for our neighborhoods, **together.**”
